### **Arrangements:-**

**Please could you kindly bring some milk and biscuits and a tea towel** There are tea bags and sugar, together with cups, saucers, plates etc. in the cupboard beside the books, in the childrens' corner. The coffee bags are in a box below the hostess trolley. There are two small folding tables there, one to take the cups and one for the plate of biscuits, sugar and milk. The urn can be filled by the outside tap and turned to full to heat the water before the service. (One of the church wardens will normally do this). The water can be reheated during the last hymn. The washing up bowls are under the hostess trolley. If you are unable to make your date please let me know on 01749 860205.

Thank you. Jessica
