Arrangements:-

Everything you will need is already in the church with the exception of **milk and biscuits**. The cups, coffee, tea, plates etc are in the cupboard beside the books, in the childrens' corner. The urn is on the table beside it and can be filled from the tap outside, which is mains water. It is best to allow the water to boil before the service and then switch it off, turning it on again in the last hymn. The washing up bowls and cloths are in the left hand end of the chest beside the font. Please could you kindly wash and return the tea towel to the chest by the first Sunday in the month. If you are unable to make your date please let me know on 01749 860205. Thank you. Jessica
