Somerset Hampers

We (Dave Hiscox and Tom Beasley) became frustrated with not being able to source food for our families and watching our friends businesses suffer due to the COVID-19 lockdown restrictions in March 2020.

We approached local meat, dairy, vegetable, fruit and dry food suppliers who ordinarily supply local pubs and restaurants in and around Wells, Shepton Mallet, Glastonbury & Street.

We are putting together food boxes from multiple suppliers with the aim of getting food to people and also helping these local businesses survive.

<https://somersesthampers.com/>

We will be donating all of our profit for the next two months (and potentially beyond) to Somerset Partnership NHS, to help the fight against Coronavirus.

Thorners 01749 830138, are delivering. Don't forget **George's** 07483 890119, for veg. Also **Barclays Butchers** in Wincanton, 01963 34880, is also delivering.

Deliveries - I am aware that several people in the parish are struggling to get delivery or 'click and collect' slots from the supermarkets. However, as stated in the previous newsletter there are a range of local shops, suppliers and businesses who will delivery food and basic supplies – please do consider using the local businesses not least to help keep them in business and employment for local people.

If you do need help with shopping, getting essential supplies or the collection of prescriptions, etc. please do not hesitate to contact me, Pam Griffiths, either by email: clerk@ditcheatparishcouncil.org.uk or by telephone 01749 860443/07739514209. I have many people who are more than willing to help.
