

How You Can Help

Trussell Trust Food Bank

Ditcheat Church, Rendez vous and Village Lunch have all been supporting the Trussell Trust Food Bank over the last year and we have been liaising with the lady who runs the Food bank outlet in Midsomer Norton, taking food and other household products there on a number of occasions. They have received generous donations during lockdown and their warehouse is full of food, but they now need non-food items. Previously we had boxes in the church or the hall to receive donations, but **Barbers** have very kindly agreed to have a box in their **Farm shop in Ditcheat**, which when full, will be taken to Midsomer Norton.

Their present requests are for –

Deodorants

Kitchen rolls

Shampoo & conditioner

Toothpaste (adult)

Washing powder

Washing up liquid

Somer Valley Foodbank

Until we are able to return to our usual food collections, many people are asking how they can give financially to enable the Somer Valley Foodbank to purchase items which are desperately needed. If you receive any such enquiries, please direct people to the giving page of our website

<https://somervalley.foodbank.org.uk/give-help/donate-money/>

If donors are taxpayers, they may like to complete a Gift Aid form but please ask them use the ONLINE version as Ammerdown is currently closed.

Thank you all for continuing to support the foodbank as we seek to help the most needy in our community at this very testing time.
